# REQUEST FOR EXCUSED ABSENCE FOR EDUCATIONAL OPPORTUNITY

The North Carolina General Assembly passed General Statute 115C-378, entitled the Compulsory Attendance Law in 1955. This law, in conjunction with the rules and regulations of the North Carolina State Board of Education, makes parents and legal guardians responsible and accountable to insure that their children's absences from school are valid. Ten (10) types of valid absences are established by the rules and regulations set forth by the State Board of Education. One of those is, when it is demonstrated that the purpose of the absence is to take advantage of a valid educational opportunity. CFCI requires advanced permission for excused absences for educational opportunities.
