

CAPE FEAR CENTER FOR INQUIRY PRESENTS

Great Art Spectations

What are we raising money for?

ART

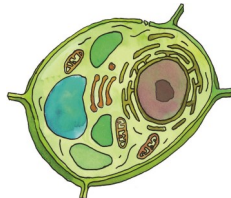

\$2000 towards the installation of a third dolphin along with a sign for the front of our building! Artist Mike Mason will design and install a third dolphin and we are working on pricing to have our logo painted on the building!

INQUIRY Kits like those at ciblearning.org!

These kits are developed by:

- Center for Inquiry-Based Learning
- Full Option Science System
- Great Explorations in Math and Science
- Science and Technology Concepts and more!
