CFCI agrees to involve parents in the following ways:

- A. Parents will be involved in the joint development of the Consolidated Application and the School Improvement Plan (Strategic Plan). CFCI has a Board Committee structure that includes Faculty, Staff, Parents, and Community members. The Development Committee oversees the creation of the Strategic plan by seeking input from all Committees as well as utilizing surveys for additional community input.
- B. CFCI will coordinate, provide technical assistance, and provide support to assist and build the capacity of school staff and stakeholders to plan and implement effective parent involvement activities to improve student academic achievement and school performance in several ways. CFCI Partnership is a parent and teacher run organization that coordinates and plans several parent and family nights throughout the year. The Shared Leadership Committee also plans an annual curriculum night that is attended by parents, families, and community members. The events are widely publicized to maximize stakeholder participation.
- C. The school will coordinate and integrate parental involvement strategies, to the extent feasible and appropriate, with relevant Federal, State, and local laws and programs. CFCI does not discriminate on the basis of gender, race, creed, color, religion, national origin, age, ancestry, disability and will comply with all relevant laws to provide access.
- D. CFCI will conduct a periodic review of the content and effectiveness of the PFE policy in improving the academic quality of the school. The annual reviews will be used to design evidence-based strategies for more effective parental involvement and to revise the PFE if necessary. Shifts in strategy are developed to remove barriers for parent participation, address the needs of parents to assist in the child's learning, and successfully support school-family communication.
- E. Parents are encouraged to be part of the planning, and execution of parent and family activities that occur outside of school hours. CFCI has a volunteer coordinator who works with parents and stakeholders to ensure regular participation in the classroom. All activities are communicated to stakeholders through the CFCI website, as well as regular emails, phone calls, and text messages. We will include information in additional languages when needed.
