PCN DISCUSSION TOPICS

| | | |
|--|--|--|
| <p>Refillable Water Stations/ RO</p> | <p>Tanya Inabnit</p> | <ul style="list-style-type: none"> - T.I. presented options and quote for Refill + RO units. Labor is separate. Partnership would supply funds to help with the cost. - R.O system is more important than refill stations because our childrens' safety is a primary concern. - Alan said Admin's biggest concern is increase in utility costs with RO. Will ask Island Montessori & FSoW of their water bills changed significantly with RO units. - Plan to get another quote form Whole Water Solutions |
| <p>Bullying – specifically sexual orientation / gender identity</p> | <p>E Stanfield</p> | <ul style="list-style-type: none"> -Follow Up on bullying incidents important. Parents of both parties are notified. - Bullying is a regular part of classroom discussions Need resources to help children respond to peer bullying. |
| <p>Seclusion Room</p> | <p>Alan McNaughton / Kathy Coke</p> | <p>Seclusion Rooms are a space that is used for student safety and can be used under NC Law. Seclusion is one of many tools used for crisis prevention. CFCI has a space that many students opt to use for quiet time and has been used also as a space for seclusion. CFCI currently is NOT using seclusion and have asked for new directives from School Board.</p> |
